

WW3S: Survive the Apocalypse

Abstract

Worried about the imminent threat of nuclear war, accelerating global warming, or unchecked AI development? So are we. Leading scientists and UN experts warn that a global conflict could force us into underground shelters within months. In response, we created **World War 3 Shelter Coin (WW3S)**—an initiative to build a global network of shelters, unite a committed community, and raise awareness about these urgent threats.

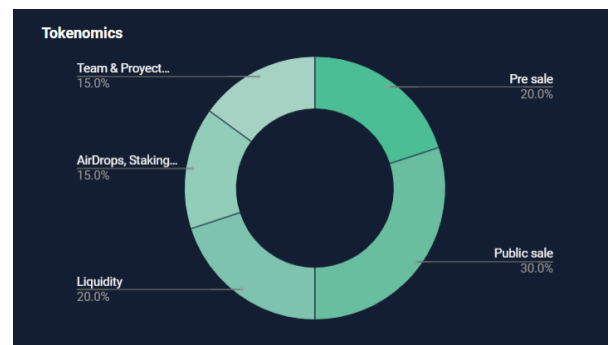

By investing in **WW3S**, you gain priority access to our shelters and the chance to shape humanity's future. Join us, invest in our tokens, and be part of the solution.

Roadmap

1. **Phase 1:** Community growth.
 2. **Phase 2:** Token launch and fundraising.
 3. **Phase 3:** Recruiting core advisors and specialists.
 4. **Phase 4:** Planning and construction of initial shelters.
 5. **Phase 5:** Onboarding members and system testing.
 6. **Phase 6:** Expanding the network, community, and global awareness.
